Catch-22 and the Triumph of the Absurd

Catch-22 transcends the war-novel genre in that it is an illustration of the absurdity of war, and even more so of life itself Even in how the novel is written, with its mindless repetition of words, labyrinthine chronology, and circular logic games, Catch-22 defies convention Pivotal events such as Snowden's death are

Catch-22 - Wikipedia

Catch-22 is a satirical war novel by American author Joseph Heller He began writing it in 1953; the novel was first published in 1961 Often cited as one of the most significant novels of the twentieth century, it uses a distinctive non-chronological third-person omniscient narration, describing events from the points of view of different characters The separate storylines are out of sequence so the timeline develops along with the plot
